

Export Control Notification for Encryption Software

The software that you have requested falls under the U.S. Government's export control laws and regulations. This document is intended to make you aware of your responsibilities with regard to this software and the U.S. Government's export control laws and regulations. Prior to issuance of the software, you must read and sign this document indicating your concurrence with all statements and return it to the Electronics and Computing Technologies Account Services Office in Building 221. *If you cannot comply with all aspects of this document, contact the Export Control Coordinator at ANL-E on 2-2701 who will assist you in pursuing a license application.*

1. I am:
 - 18 years or older;
 - a citizen or national of the United States or Canada, or
 - a person who has been lawfully admitted for permanent residence in the United States or Canada.
2. I understand that an "export" is the actual shipment or transmission of items subject to the Export Administration Regulations (EAR) out of the United States or the release of technology or software subject to the EAR to a foreign national in the United States.
3. I understand that the software I intend to obtain is subject to U.S. Government laws and regulations regarding export controls.
4. I represent and warrant that:
 - neither the U.S. Department of Commerce nor any other U.S. federal agency has suspended, revoked, or denied my U.S. export privileges, and
 - I am not on the U.S. Department of Treasury's list of Specially Designated Nationals or the U.S. Department of Commerce's List of Denied Parties.
5. I agree to not export, re-export, or otherwise transfer the software from the United States or Canada without a separate license issued by the U.S. Department of Commerce.
6. I agree to not transfer the software to
 - non-citizens,
 - non-nationals, or
 - non-permanent residentsof the United States or Canada without a separate license issued by the U.S. Department of Commerce.
7. Prior to transferring* the software to others, I will
 - verify the recipient meets the above qualifications for possessing the software, and
 - inform the recipient of the above restrictions on this software.

I have read and understand my obligations and the potential penalties for violating export regulations regarding this software. **
