

Faculty Positions Available

January 12, 2017

The John and Willie Leone Family Department of Energy and Mineral Engineering at The Pennsylvania State University invites nominations and applications for an innovative, visionary leader as Department Head. The Department is interdisciplinary, diverse, and dedicated to the safe, efficient, and environmentally responsible recovery, processing, and utilization of earth resources. It is internationally recognized for its research in the areas of energy, energy business and finance, and environmental science and engineering.
